1 April 1970

MEMORANDUM FOR: Chief, EPD

SUBJECT : "Where's What"

1. Please note the attached comments of the Deputy Director of Security which state, in effect, we should attempt to declassify the book of

25X1A9A

- 2. In order to accomplish the declassification process, it is suggested that be contacted to determine which portions of the book are classified and which contributors were assured that the publication would bear a classification.
- 25X1A9A
- 3. Inasmuch as this may be a time consuming procedure, it is further suggested that an interim reply be addressed to the LEAA which will explain what we are attempting to accomplish.
